

# English as a Foreign Language: Listening and Speaking

(elective course for L4B students)

(polska nazwa przedmiotu: PNJA: słuchanie i wypowiedź ustna)

The course is designed to boost students' listening and speaking skills and to familiarize students with Internet resources that can aid them in improving these skills at home and on the go. Authentic listening materials will include BBC news bulletins, online lectures, radio podcasts and tv shows.

**Assessment:** class participation (20%), presentations (in pairs) (40%), listening quizzes (20%), vocabulary tests (20 %)

Course sessions: 90 minutes, once a week, 3 ECTS points

Please note that the course sessions will be scheduled in such a way so as not to coincide with other L4B classes in order to ensure that all those who wish to take the course can do so.
