

**UNIWERSYTET
ŁÓDZKI**

**Urgent information for students of the University of Lodz
returning from Iran, Italy, Japan, People's Republic of China, Singapore, South Korea,
Taiwan, Thailand and Vietnam,
those having stayed in the countries listed in February 2020,
as well as those coming from these countries within bilateral exchange and Erasmus+**

For the sake of your well-being and in view of the current epidemiological situation, please be informed you that **you are exempted from all the forms of classes** scheduled at the University or student placements **for the following two weeks**.

During this time, you should rest and avoid larger groups of people. Absences from classes (based on tickets and/or travel documents) will be treated as justified – of which the Deans of all the University Faculties and lecturers have already been informed.

Please pay special attention to your health. In case of any disturbing symptoms (like high fever or persistent cough), please contact the Sanitary Inspector in Łódź immediately at:

psse@psselodz.pl

tel. : +48 42 253 99 92 (7:30 AM-3:00 PM),

weekdays after 3:00 PM, Saturdays, Sundays and holidays: +48 600 241 646.

English-speaking personnel are on duty. You will receive all necessary information and assistance there.
